May 22 2024, Paris "Gender and Climate Justice : Critical issues and awareness raising tools"

lundi 13 mai 2024, par Yveline Nicolas

Organized by Adéquations (with support from the Programme Feminists for Alternatives on Climate and Environmen), Wide Austria and the European network WIDE+, this event has promoted exchanges between actors interested in analyses, educational approaches and advocacy on the intersections between gender, feminist approaches, climate and ecological transition.
